## SHORTAGES FOR 1950

Good nursery stock was never in shorter supply than right today and our task this Spring is not to sell stock, but to try to divide slender inventories to take care of as many of our good people as possible.

Our stock is strictly first class in every respect and under the circumstances an immediate reservation is your best insurance for securing the scarce items you should line out this Spring.

Therefore review your needs at once and . . . ORDER TODAY.

- Terms: Net 30 days to established firms with satisfactory references, others 25% with order, balance prior to shipment. No C.O.D.
- Packing: Packing is at cost (about 5%) except on quantity orders where special reduced cost charge is made.
- Shipping: All orders are shipped out promptly by EXPRESS to insure quick delivery, therefore please specify your express office in ordering. We ship from March 1st onward, depending on weather conditions.
- Claims: Must be made immediately upon receipt of stock, otherwise same cannot be entertained.

All stock certified by Bureau of Plant Industry, Pa. Dept. of Agriculture.
